MEMO OF INSTRUCTIONS OF THE HON'BLE MINISTER FOR FORESTS AND TRANSPORT ISSUED DURING INSPECTIONS OF THE DHANGUR STATE FOREST ON 23-5-1959.

....

1) The three bits of land inspected in Dhenagur S.No.299 Halsalli S.No.98 and Dabbahalli S.No.76, in the Dhenagur State Forest, should be sketched and report submitted on the question of releasing the same and granting for cultivation.

2) If the full area of the 375 acres on S.No.86 of Netkal village released from the Dhenagur State Forest, has not yet been handed over to the Revenue Department, as represented by the Tahsildar, Malavalli Taluk, action may be taken to give over the remaining area.

3. Trench mound sowings of 1956 and 1957 areas at Erekatte:

Species indigenous to the soil, like Kamara, Dhupa, Bevu and Byala and economic species like Eucalyptus and Ailanthus Excelsa should be planted in future plantations in the area.

4. Nursery at Erekatte: A larger nursery of about 4 to 5 acres in extent should be raised below the Erekatte tank, and maintained for supply of seedlings to Ryots throughout the year.

5. Smuggling of fuel must be stopped and the forest fully protected both from fire and theft.

6. The Electric Department may be requested to mark out and map the actual minimum area required for their Colony and Project and this area demarcated and finally handed over to them. Agave sisiana may be planted to demarcate this area if possible.

GOVERNMENT OF MYSORE

Subject:- Praying for grant of dry land in Sy.No.279 of Thonnur Village or in Sy.No.88 of Kollarahally Village, Malavalli Taluk.

Respected Sir,

We, the undersigned ryots of Collarahally Village, Malur Hobli, Malavalli Taluk, beg to represent to your kind honour that we are poor ryots having no land for cultivation any where in this place. We are living mainly by way of coolyland agriculture operations from others. We are entirely landless people and thereby it is very hard for us to maintain our families without lands in these hard days. Though we had submitted several applications praying for land by Government, we received no reply nor any endorsement for granting the same.

CCF for remarks

(M A&F)

There are vacant lands for agricultural operations at Thonnur and Kollarahally villages in Malavalli Taluk. As we are purely landless ryots, we pray to kindly grant us dry land at 4 acres per family, either in Survey No.279 of Thonnur or in Sy.No.88 of Kollarahally villages at Malavalli Taluk, and thus help us to account our livelihood in these hard days, for which act of kindness, not only ourselves but also our entire families will be ever grateful to you, Sir.

We are prepared to cultivate the entire extent of land to be given us by residing in the same place where the land is situated and abide by the standing rules

Sir

Sub:- Request of Sri Siddiah and others of Gollarahalli village, Malavalli Taluk for grant of lands in S.No. 209 of Dhangur and in S.No. 88 of Malasahally village.

Ref:- Your Memo No. AFD-213-FGL-59 dated 31-1-1959.

In reply, I invite your kind reference to slip 'E' this office letter of even number dated 3-9-59 under which, I have already furnished my remarks regarding release of lands in Dhangur Forest(copy enclosed).

The same opinion holds good in this case also.

Copy of letter No. B3.234-2162/58 dated 3-9-59 from the Chief Conservator of Forests in Mysore, Bangalore to the Secretary to Government, Agriculture and Forest Department, Bangalor.

Sub:- Release of land for Co-operative Farming out of S.No. 76 of Dabhanahalli and S.No. 299 of Dhangur State Forest.

Ref:- Your Memo No. AFD-245-FCL-59 dated 1-6-59 & reminders dated 28-7-59.

I enclose a copy of letter No. Al. 37-677/59 dated 6-8-1959 from the Conservator of Forests, Coorg Circle along with its enclosures and a sketch of the areas asked for release for kind perusal. From the Conservator of Forests report it can be seen that S.No. 76 of Dhabanahalli asked for release is included in the zone earmarked for Shimsha Development and also it consists of dense growth of Sandal. In view of this it may not be advisable to release this, area for cultivation. The other plots asked for release in S.No. 299 of Dhangur and 93 of Halasahalli are asked for by the applicants for wet cultivations on the ground that the area may be benefited by the Hebballa pickup channel which has now been brought up to the D'line of the State forest in S.No. 93. But from the Conservator of Forests' report it can be seen that these are not likely to get water at present. Hence I am of the opinion that the question of releasing the areas may be taken up when the water is made available to irrigate these areas by extending the channel.

The nine applications received with your memo under reference are retransmitted.
